RE: Project # REVV19-005 and SEPA 19-018

Dear David;

Please consider this request to consider the above referenced application in your 2020 docket rather than 2019 as was originally proposed. Prior to January 13, 2020, we plan to submit a site specific development agreement for consideration concurrent with the rezone request. Additionally, we are reducing the size of the subject property to exclude Lots 7-8-9-10-11-12 and the South 12.5 feet of Lot 13 of Block 3 Fridays 2nd Addition to the City of Everett. The attached map outlines the revised location of the rezone request.

Thank you for your consideration and please let me know if you have any questions.

Sincerely,

Fred Safstrom
CEO
